                                )  
                                )

This matter is before the court on defendant's Unopposed Motion to Continue Trial [22]. Counsel advises the court that additional time to conduct discovery is necessary. For good cause shown,

**IT IS ORDERED** that the Unopposed Motion to Continue Trial [22] is granted, as follows:

1. The jury trial, now set for January 17, 2023, is continued to **March 28, 2023**.
2. In accordance with 18 U.S.C. § 3161(h)(7)(A), the court finds that the ends of justice will be served by granting this continuance and outweigh the interests of the public and the defendants in a speedy trial. Any additional time arising as a result of the granting of this motion, that is, the time between **today's date and March 28, 2023**, shall be deemed excludable time in any computation of time under the requirement of the Speedy Trial Act. Failure to grant a continuance would deny counsel the reasonable time necessary for effective preparation, taking into account the exercise of due diligence. 18 U.S.C. § 3161(h)(6), (7)(A) & (B)(iv).

**DATED: December 23, 2022**

**BY THE COURT:**

s/ Michael D. Nelson  
United States Magistrate Judge
